An act relating to community colleges.

LEGISLATIVE COUNSEL’S DIGEST

AB 2776, as introduced, Lackey. Community colleges: statewide baccalaureate degree pilot program.

Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as one of the segments of public postsecondary education in this state. Existing law, until July 1, 2026, authorizes the board of governors, in consultation with the California State University and the University of California, to establish a statewide baccalaureate degree pilot program. Existing law requires a community college district baccalaureate degree pilot program to commence no later than the 2017–18 academic year, and requires students participating in a baccalaureate degree pilot program to commence their degrees by the beginning of the 2022–23 academic year.

This bill would express the intent of the Legislature to enact subsequent legislation pertaining to the statewide baccalaureate degree pilot program.

The people of the State of California do enact as follows:

1 SECTION 1. It is the intent of the Legislature to enact subsequent legislation pertaining to the statewide baccalaureate degree pilot program established pursuant to Article 3 (commencing with Section 78040) of Chapter 1 of Part 48 of Division 7 of Title 3 of the Education Code.
