An act relating to community colleges.

LEGISLATIVE COUNSEL’S DIGEST

SB 987, as introduced, Hurtado. Community college premedical pathway pilot program.

Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as one of the segments of public postsecondary education in this state. Existing law establishes community college districts throughout the state, and authorizes these districts to provide instruction at the campuses these districts operate and maintain.

This bill would express the intent of the Legislature to enact legislation that would establish a pilot program for purposes of facilitating premedical pathways to medical school for students attending community colleges.

The people of the State of California do enact as follows:

SECTION 1. It is the intent of the Legislature to enact legislation that would establish a pilot program for purposes of facilitating premedical pathways to medical school for students attending community colleges.
